

**The Pointer Sisters in Concert – FREE  
outdoors at Copley Square coming in a week!**

**Motown the Musical at Boston Opera House  
June 12<sup>th</sup> – 17<sup>th</sup>**

**MOTOWN THE MUSICAL** - [see promotion on AboutBlackBostonOnline.com](http://www.AboutBlackBostonOnline.com)

It began as one man's story... became everyone's music... and is now Broadway's musical. **MOTOWN THE MUSICAL** is the true American dream story of Motown founder Berry Gordy's journey from featherweight boxer to the heavyweight music mogul who launched the careers of Diana Ross, Michael Jackson, Smokey Robinson and many more. Motown shattered barriers, shaped our lives and made us all move to the same beat.

Motown was founded in 1959 when Berry Gordon secured a loan for \$800 from his family savings fund and started his own record company in Detroit, Michigan. Within a few years, the label was selling more singles and released more hits than any other record company. Motown became the most successful African-American owned and operated record company – and business – in the U.S.

Now, the Motown story is live on stage in the record-breaking smash hit **MOTOWN THE MUSICAL!**

**Festival & Heritage Trips  
transportation available**

6/9 Science & Us <https://www.scienceandus.org/>

Boston University Metcalf Science Center [590 Commonwealth Avenue](https://www.scienceandus.org/)

Science & Us is a day of presentations and workshops to teach high school students about science communication and, in general, how to explain complex ideas in exciting, clear ways through multimedia. Participants of all backgrounds and interests are welcome—from STEM to journalism and beyond. Students will get the chance to create their own work, chat with professionals about their unique, fulfilling careers, and enjoy an outdoor BBQ for lunch. This FREE event features speakers from MIT, Tufts, STAT News, and more.
